Volunteer Description: Photography Volunteer

Purpose

One of our priorities at ACCM is to help break the social isolation that people living with HIV can often experience and, as a result, we host a lot of events and group activities. We always have such a great time that each event ends up being a favourite memory-in-the-making. We'd like to capture these memories on film (so to speak) but often don't have the skills and equipment necessary to produce quality photographs. We're looking for a volunteer to take photographs at our various events.

Main Responsibilities

- Attend ACCM events to do floating photography or run the photobooth
- Follow ACCM confidentiality protocol when taking photographs of people present at the event
- Submit photographs to ACCM's Communications Coordinator in a timely manner after the event

Personal qualifications and skills

- Able to work in dark environments
- Access to DSLR (flash is an asset)
- Knowledgeable with editing software
- Strong sense of reliability and commitment
- Comfort with "on call" schedule
- Commitment to principles of harm reduction and anti-oppression
- Experience/knowledge in HIV/AIDS and hep C, sexuality, and/or sexual health an asset

Time Commitment

In addition to Volunteer Orientation, expect to give 5 hours per month. All volunteers are required to make a six month commitment.
