## Volunteer Description: TTK for Elementary School Volunteer

### **Purpose**

The Teacher's Toolkit (TTK) aims to assist teachers in integrating sexual health education into the classroom. It involves a comprehensive set of lesson plans and resources, based on Québec's curriculum requirements, designed to meet the learning objectives of the Ministry's pilot sexual health education program. The ultimate goal is to support teachers so they feel comfortable and equipped to teach sexual health to students, which will in turn result in students feeling capable of making informed decisions about their own sexual health. The current version of the TTK is designed for secondary school education. Our Education for Prevention (E4P) Department would now like to create new lesson plans geared towards elementary school education and is looking for volunteers to help develop this new material.

### **Main Responsibilities**

- Research existing sex education lesson plans geared toward elementary school students
- Adapt or create new sexual health lesson plans that respect Quebec's sexual health curriculum objectives for elementary level classes
- Share lesson plans and promote new lesson plans at teacher attended events (QPAT)
- All E4P volunteers are expected to do kiosks and workshops when necessary
- Any other duties as required by the department

### **Personal qualifications and skills**

- Studying towards or in possession of a B. Ed or M. Ed
- Intimate knowledge of Quebec's elementary school curriculum
- Experience in lesson plan development and teaching/facilitation
- Experience/knowledge in HIV/AIDS, hepatitis C, sexuality, sexual health
- Commitment to principles of harm reduction and anti-oppression
- Excellent written and verbal communication skills in English, French an asset
- Ability to work autonomously and in a team
- Computer literacy

### **Time Commitment**

In addition to Volunteer Orientation and E4P Training, expect to give four hours per week. All volunteers are required to make a six month commitment.
